01 | **PRESIDENT'S REPORT**

At last year's AGM, I stood in front of you all and said I was here to represent the people of Table Tennis Canterbury and am pleased to say that this year I have done that to the best of my ability. I am proud to have been president for 2022 and of the Management Committee and the strides we have collectively taken to grow community and programmes for members who love the sport of table tennis at all levels.

Throughout the year I have endeavoured to make myself available to anyone who wants to chat and have worked at being available, discussing all topics with transparency and honesty.

Spending time in the stadium including twelve weeks as administrator whilst waiting on the appointment of Renata Jelli was a real grassroots experience of what it takes to run an organisation such as this and hopefully my digital skills improved during this time. Not bad for a 78 year old!

This year we have instituted a Table Tennis Canterbury initiative; a group coaching scheme to provide coaching across all levels and at an affordable price to all. These were heavily supported, with John Cordue as coach supported by Jaafar Moussa.

We've had strong uptake of people playing in our two person competition and we'd also like to thank Craig Dye for his innovative work to produce the new Superclub format, to give our top players a more professional and competitive interclub competition. Live streaming of Superclub has been very significant in engaging viewing by people locally and all around the world.

Regarding the earthquake repairs, evidence of what has been achieved this year is all around you and I would like to extend an enormous thank you to Simon Fenwick and his team of volunteers for the many hours getting the repairs to the stage they are at. Without his expertise and knowledge we would not be here today in an almost repaired stadium with a floor meeting ITTF standards and enabling us to have more exciting projects to follow in 2023 (see report below).

Thank you also to those on our Interclub, Player Development and Tournament sub-committees for all their work this year. Thanks to all those who helped us host the South Island 2022 Senior and Junior teams championships

and the Canterbury Open. Special thanks to Grant Wilson as he leaves the committee in 2023 for all his years in the role of Junior Development Officer and as Vice President this year, his expertise and experience are highly valued.

COVID restrictions changed up and down during the year and keeping everyone informed of all the correct protocols has kept our Health and Safety Sub-committee busy. We're grateful once again that we are now back to business as usual.

Our Governance and HR Sub-committee have been busy employing a new stadium administrator, (welcome Renata!) and dealing with all the day-to-day issues, running the Special General Meeting earlier in the year, and now the AGM.

We've worked at cleaning all of our spaces, updating all the notice boards and signage, engaging with our people on Facebook and working on the new website.

The Property Sub-committee has dealt with everything from blocked toilets to security lights, minor repairs, more trimming trees, weed spraying, etc. and making our spaces welcoming. As a committee we are upgrading our systems with a new computer and software in the office.

Many thanks to Kris Alisch for her work on grant funding and finance this year. We have been very privileged to have somebody with such expertise in this role.

I'd also like to thank Helen Beumelburg for her work as Secretary. Not having had someone in the role for many years she has been a huge part of keeping people informed. Communication in today's digital world is a necessity for any organization.

It's been a very fulfilling year and a real learning curve for all of us. I have enjoyed the diversity and balance of this committee, both male and female, from juniors to the more mature, all contributing their specialist skill bases and wish to thank them all for their work this year.

Congratulations also to our members receiving National awards at the TTNZ AGM on December 3rd. Gina Lui, National Veteran of the year, Alan Moore, National Official of the Year and myself for National Volunteer of the Year recognition. It has been an honour to serve you all.

Brian Wilson: President

02 | **EQC UPDATE**

This year has seen significant progress in our earthquake claim. This had previously been stalled due to an inability to assess the conditions of the slab due to it being covered by our wooden floor.

It was agreed to remove the floor in November 2022, and the floor was assessed and surveyed by 6 experts from our side and the insurer's. There are between 12 and 20 cracks in the slab that are likely to have been caused by the

2020/11 earthquakes. The insurer has subsequently agreed to go to mediation where a final cash settlement figure is to be negotiated. This typically happens on the same day. We have a mediator lined up whom both sides are happy with, and this will happen at the latest before the end of January 2023.

From then the committee will decide on how best to proceed with funds received.

Simon Fenwick: Property Sub-Committee

03 | OBITUARY

CATHERINE (Cathy) MOORE

Cathy passed away in July 2022 after her long battle with gastric cancer.

Cathy was a long standing member of Table Tennis Canterbury. Cathy and husband Alan were a

real team together, being at the forefront of tournament administration.

Cathy and Alan become, in later years, two of TTNZ's most prolific umpires, referee, tournament controllers, tournament managers and administrators. In Cathy's case this was right up to the 2017 World Masters Games in

Auckland when Cathy was Tournament Controller.

Cathy excelled for Table Tennis Canterbury in a mix of roles right up to 2017. Tournament manager, Tournament Controller – you name it Cathy was it.

Multiple Canterbury Opens, Canterbury Residential, South Island Championships, Junior Nationals, Senior Nationals, Veterans Nationals, Aussie and NZ Test matches. Cathy – managing and controlling these high level events.

Cathy's long standing service with Table Tennis Canterbury was in conjunction and partnership with Alan and all Cathy's family.

A true team if ever there was one. TTC offers Alan and his family its kindest condolences and sympathy.

04 | FINANCIAL REPORT & SUMMARY

I am pleased to report TTC operated sustainably over the 2021-22 financial year, recording a Net Surplus of \$48,692 (2021: \$16,248).

\$	2021-22	2020-21	2019-20	2018-19
Income	248,650	228,672	133,488	169,085
Expenses	199,958	212,424	165,303	158,778
Net Surplus	48,692	16,248	(31,815)	10,307
Net Assets	2,173,824	2,125,132	2,188,804	2,130,699

The above table demonstrates that TTC has been improving its financial position this year both in terms of profitability as well as net assets which is largely due to a diligent focus on the financial management of the organisation.

We have reviewed our revenue streams and made some changes to our invoice and financial recording system to ensure invoices are issued correctly and timely; and outstanding payments (receivables) are followed up. Examples are car park leasing and school/group bookings resulting in an increase of \$10K to the previous year.

Our business as usual (interclub and stadium hire) was slightly more profitable, and income increased from \$90K to 96K whilst stadium expenses were up marginally due to increased power and cleaning costs.

Grants and donations have also increased. Substantial funding is expected for the next financial year which will be raised for the next phase of the stadium upgrade/development following the completion of our EQC claim.

With regard to other expenses, travel was up by \$8K due to TTC subsidising travel to the Southern Regional Junior Training camp and the National Junior & Senior Championships in Auckland which was funded by grants and donations.

Employee expenses are notably down which is due to employee changes and reduced casual employee activity. I would like to acknowledge the valued contribution of our volunteers who covered the stadium administrator role for several months during the recruitment process mid this year.

All of the above measures proved effective and have set us in good stead for the year ahead.

Kris Alisch (Treasurer)

Independent auditor's report

To the Members of Table Tennis Canterbury Incorporated

Qualified Opinion

We have audited the special purpose financial statements of Table Tennis Canterbury Incorporated on pages 6-11, which comprise the statement of financial position as at 30 September 2022, and the statement of financial performance, statement of movements in equity, and the statement of accounting policies and notes to the financial statements.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the accompanying special purpose financial statements present fairly, in all material respects, the financial position of Table Tennis Canterbury Incorporated as at 30 September 2022, and its financial performance for the year then ended in accordance with the stated accounting policies set out in the notes to the financial statements.

Basis for Qualified Opinion

In common with other organisations of a similar nature, controls over cash collection on behalf of the club by volunteers prior to it being recorded are limited, and there are no practical audit procedures to determine the effect of this limited control. The auditor's report on the prior year, as previously issued, included a qualified opinion on the same basis. The prior year's audit report was issued on 1 March 2022.

We conducted our audit in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)). Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial statements' section of our report.

We are independent of Table Tennis Canterbury Incorporated in accordance with Professional and Ethical Standard 1 (Revised) 'Code of ethics for assurance practitioners' issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other than in our capacity as auditor we have no relationship with, or interests in, Table Tennis Canterbury Incorporated.

Emphases of Matter

Basis of Accounting and Restriction on Distribution and Use

We draw attention to accounting policies on page 9 of the special purpose financial statements, which describes the basis of accounting. The special purpose financial statements are prepared for the purpose of the Members. As a result, the special purpose financial statements may not be suitable for another purpose.

Management committee's responsibilities for the special purpose financial statements

The management committee are responsible on behalf of Table Tennis Canterbury Incorporated for the preparation of these special purpose financial statements for the members and for such internal control the management committee determine is necessary to enable the preparation of special purpose financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management committee is responsible on behalf of Table Tennis Canterbury Incorporated for assessing Table Tennis Canterbury Incorporated's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management Committee either intend to liquidate Table Tennis Canterbury Incorporated or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the special purpose financial statements

Our objectives are to obtain reasonable assurance about whether the special purpose financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of these special purpose financial statements.

A further description of the auditor's responsibilities for the audit of the special purpose financial statements is located at the XRB's website at

<http://www.xrb.govt.nz/standards-for-assurance-practitioners/auditors-responsibilities/audit-report-8/>

Who we report to

This report is made solely to the members of Table Tennis Canterbury Incorporated. Our audit has been undertaken so that we might state to the members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Members, for our audit work, for this report, or for the opinions we have formed.

Notes to the Financial Statements

For the year ended 30 September 2022

1 Statement of Accounting Policies

Reporting Entity

Table Tennis Canterbury Incorporated is an Incorporated society registered under the Incorporated Societies Act 1908. The club offers table tennis facilities for members of affiliated societies.

Statement of Compliance and Basis of Preparation

The Financial Statements of Table Tennis Canterbury Incorporated have been prepared as special purpose financial statements which have been prepared for the purpose of use by its' members.

The accounting principles recognised as appropriate for the measurement and reporting of the financial performance and financial position on an historical cost basis are followed by the club.

These financial statements are presented in NZ dollars (NZ\$) and rounded to the nearest whole dollar unless otherwise stated

Specific Accounting Policies

The following specific accounting policies which materially affect the measurement of the financial performance and financial position have been applied:

a) *Furniture and fittings*

Furniture and fittings are recognised at cost less aggregate depreciation. Depreciation has been calculated using rates management deemed to be most appropriate based on their use. Gains and losses on disposal of fixed assets are considered in determining the operating result for the year.

Furniture and fittings 10%

b) *Revaluation*

Freehold land and buildings are revalued on a cyclical basis.

Valuations are to the latest Christchurch City Council rates valuation. Revaluations are transferred to the asset revaluation reserve for the class of assets. If any revaluation reserve has a deficit, that deficit is recognised in the statement of financial performance in the period it arises. In subsequent periods any revaluations surplus that reverses previous revaluation deficits is recognised as revenue in the statement of financial performance.

Depreciation has been calculated using rates management deemed to be most appropriate based on their use. Gains and losses on disposal of fixed assets are considered in determining the operating result for the year.

Building improvements 2%

c) *Income Tax*

The Club had no taxable income for the period under review.

d) *Goods and Services Taxation (GST)*

Revenues and expenses have been recognised in the financial statements exclusive of GST except that irrecoverable GST input tax has been recognised in association with the expense to which it relates. All items in the Statement of Financial Position are stated exclusive of GST except for receivables and payables which are stated inclusive of GST.

Notes to the Financial Statements...continued

For the year ended 30 September 2022

e) *Changes in Accounting Policies*

There have been no changes in accounting policies. All policies have been applied on a basis consistent with those from previous financial statements.

f) *Inventory*

Inventories are stated at the lower of cost and net realisable value. Cost is determined using the first-in-first-out (FIFO) method.

g) *Revenue Policy.*

All revenues are reported on an invoice basis.

2 Plant and Equipment

Plant and Equipment 2022	Cost	Revaluation	Depreciation Charged	Accumulated Depreciation	Closing Book Value
	\$	\$	\$	\$	\$
Land and building	2,105,395	-	(1,625)	(31,720)	2,073,675
Furniture and fittings	62,545	-	(2,433)	(39,284)	23,261
Total Plant and Equipment	2,167,940	-	(4,057)	(71,004)	2,096,936

The property at 294 Blenheim Road, Upper Riccarton, Christchurch was revalued as of 30 September 2021 to its latest rateable value of \$2,060,000.

3 Accounts payable

	2022	2021
	\$	\$
Trade Creditors and Other Creditors	540	2,261
Debit card	177	372
Total Payables	717	2,634

4 Capital commitments

At 30 September 2022 there were no agreements entered into for any capital commitments (2021: Nil)

5 Contingent liabilities

At balance date there are no known contingent liabilities (2021: Nil) Table Tennis Canterbury Incorporated has not granted any securities in respect to liabilities payable by any other party whatsoever.

6 Volunteer services and other donated goods and services

The value of volunteer services and goods and services provided at a discount is not recognised. Donated services and other forms of assistance provided to the club.

7 Grants and sponsorships

The club have received grants or sponsorships totalling \$92,181 during the period under review (2021: \$87,958).

Notes to the Financial Statements...continued

For the year ended 30 September 2022

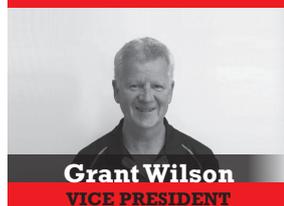

8 Government grants

During this financial period, Table Tennis Canterbury Incorporated received a grant of \$5,200 for COVID-19 Support Payment and a separate grant of \$600 from the COVID-19 Leave Support Scheme.

9 Subsequent events

There were no events that have occurred after the balance date that would have a material impact on the financial statements. (2021: Nil)

And to all those unsung heroes who have stepped up and cleaned windows, vacuumed our carpets, cleaned our spaces, made morning tea, washed tea towels, donated goods and services, helped out working for earthquake repairs we would like to say thanks for giving up their time to help TTC function the way they do.

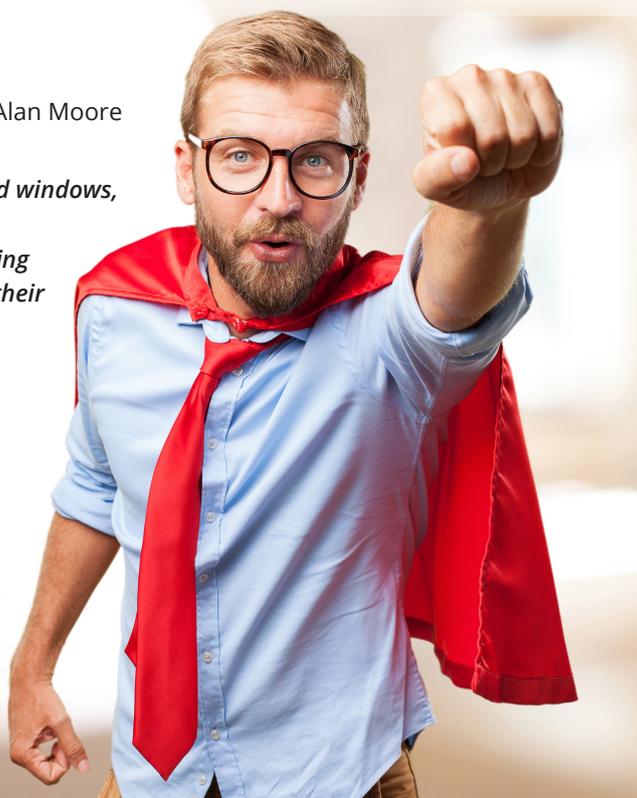

If we didn't have any of the volunteers that we have now then TTC would be struggling, so please know that all the work our volunteers do is always greatly appreciated

Keep up the awesome work everyone!

Renata Jelli - StadiumAdministrator

If you have any, time, skills, goods or services that would benefit Table Tennis Canterbury in any way we'd love to chat with you about it.

Feel free to contact the office or talk to anyone on the committee.

10 | Report on Canterbury Junior Teams and Individuals 2022

National Junior Teams Championships

Held in Auckland during the first week of the October school holidays, Canterbury sent six junior teams. It has been three years since the last nationals were held owing to Covid. We sent strong teams but stiff opposition came from the fast developing associations of North Shore and, as always, Auckland.

The under 19 boys team won the silver medal after making the final against Auckland. Although they lost the final 4-1, they had opportunities to extend the contest further if lady luck had been on their side. Sang Yong led the team and was backed up by the fast improving Griffin Buchanan, Josh Kim who played his best table tennis of the year and Leo Mamedov who resides in Auckland.

The under 19 girls team also placed second and with it the silver medal. Again the strong Auckland girls were too good, but Lydia, Vanessa and Aarya were very competitive.

The under 19 boys 2 team came a credible 7th place

out of the 9 under 19 teams, after wins over Northland and Wellington. Standout was Chris Fenwick with 5 wins including 2 wins in the victory over Wellington to clinch 7th place.

The under 15 girls team finished in third place with wins over North Shore 2 and Otago. But the depth of the Auckland and North Shore girls was evident. Our girls all won games which they should have but there were no wins against the top northern sides.

The under 15 boys team had high hopes in the boys A grade but could only manage a 5-2 win against Manawatu, leaving them third in their group. This put them into the playoff for 5th and 6th. They had a strong 4-1 win and finished 5th overall.

The under 13 boys team was ably led by Xavier Reid. They nearly won bronze but tripped up in their match against North Shore 3, going down 2-5. So 4th was a particularly good result considering the depth in North Shore and Auckland. Xavier won 7 out of 9 singles and Mihik won 5 out of 10. It was great to see William Hsia and Marco Ravidilla compete in their first nationals and equip themselves so well. This was a great learning experience for them.

The Canterbury Junior Teams in Auckland along with their final placings were as follows.

U19 Boys 1 – 2nd Place	U19 Girls – 2nd Place	U15 Boys – 5th Place
Sang Yong Park Captain Joshua Kim Griffin Buchanan Leo Mamedov	Lydia Mercer Beumelburg Captain Aarya Advilkar Vanessa Wood-Lin	Derrick Wong Captain Kevin He Eric Kim
U19 Boys 2 – 7th Place	U15 Girls – 3rd Place	U13 Boys – 4th Place
Matthew Mercer Captain Chris Fenwick Ingamar Siegruhn (draft)	Ellie Zang Captain India Buchanan Tongxi Fu Tracey Hsia	Xavier Reid Captain Mihik Advilkar Marco Ravidilla William Hsia

National Junior Individual events

Although the quality of players was high, with some top Australians also in attendance, our juniors had some excellent performances culminating in ten medals.

Lydia Mercer-Beumelburg and Ellie Zhang won the U19 girls doubles and the gold medal.

Aarya Advilkar and Vanessa Wood-Lin claimed silver in the U19 girls doubles.

India Buchanan and her partner got the bronze medal in the U19 girls doubles.

Xavier Reid made the semi finals of the U13 boys singles and won bronze.

Griffin Buchanan and Josh Kim made the U19 boys doubles semi and won bronze.

Tongxi Fu and Tracey Hsia made the semi finals of the U13 girls doubles and won bronze.

Tongxi Fu and Ellie Zhang made semi finals of the U15 girls doubles and won bronze.

Tongxi Fu and Mihik Advilkar made the U13 semis and won bronze.

San Yong Park and Ellie Zhang came second in the U19 mixed doubles and won silver.

Lydia Mercer-Beumelburg and Griffin Buchanan won bronze in the U19 mixed doubles.

For all Canterbury Junior Individual and Teams results for all tournaments played in 2022 – please go to the Tournament Planner website.

Canterbury Junior Training groups that operated throughout the year were the Tuesday beginner group which ran each school term with 30-40 players each term. The Friday Rep squad ran up until the National championships. There were 35 names in this squad.

John Cordue took over the Development officer role from Grant Wilson at the beginning of August. In addition to these groups, John has been proactive in forming other groups including both junior and senior players. These groups offer players of all levels the chance to receive coaching on a regular basis.

A big thanks to all the TTC junior coaches who coached on the Tuesday and Friday programs.

Jaafar Tallal Moussa, Helen Beumelburg, Aaryi Advilkar,

Vanessa Wood-Lin, Griffin Buchanan, Mr Han, Hongyi Li, Joachim Kusche, Akiko Goto, Sang Yong Park, Daniel Jefferies, David Walle, John Cordue, Eda and Sonu Kupta.

Southern Region Training Camp, 21st and 22nd July.

Twenty Six Canterbury Juniors made the trip south to Dunedin. In attendance were twelve top South Island coaches led by Ben Duffy. The camp was followed by the Otago open. The combination of these two events over the three days of the July school holidays facilitates great camaraderie and competition all in one. Feedback from the participants is always excellent.

Grant Wilson. Table Tennis Canterbury Development Sub-Committee.

11 | Report on 2022 Canterbury Senior Roundup

This year has been a better year for our sport with Covid restrictions not stopping events from happening. Canterbury senior and junior players again made the effort to support many away tournaments including the Otago Open, South Island Individuals in Nelson, Marlborough Open, South Island Teams championship, North Island Individuals in Tauranga. For the first time in a few years the TTNZ National Championships were held in Auckland. TTNZ was responsible for managing the tournament in the ATTA stadium on Gillies Avenue. Our very own Alan Moore was the referee for this major event.

The first big event this year was the **Marlborough Open 2022**, held in May, as usual a good number of Cantabrians travelled up for this tournament. The women's Open singles was won by Kris Alisch defeating Lisa Wang. Losing semi-finalists were Anny Li and Jacqui Wood from Marlborough. Men's Open singles was an all Canterbury affair with all semi-final competitors from Canterbury. Final success went to Jaafar Moussa runner-up was Simon Fenwick and the losing semi-finalists were Jesse Wilson and Vladimir Ivanov. The Open men's doubles was won by Jaafar and Gregg Davey and semi-finalists were Simon Fenwick with Ben Jung and Vladimir Ivanov with Jesse Wilson. The Open mixed doubles was won by Kris and Simon. The Open women's doubles was won by Kris Alisch and Anny Li. In the second grade event Dan Jefferies and Gregg Davey reached the semi-finals.

The 2022 Canterbury Open was a strong competition as usual with some great matches.

Men's Open singles winner was Alfred Delapena overcoming John Cordue in an absorbing match enjoyed by the spectators present. The semi-finalists were Jong Eub Han and Sang Yong Park. Women's Open singles was won by Catherine Fogarty over Kris Alisch while Anny Li and Abbey Webb were losing semi-finalists. Open doubles was won by Jong Han and Jesse Wilson and the women's doubles was won by Catherine and Abbey. In the mixed doubles Jong Han with his daughter Soojin beat Simon and Kris, a tough match indeed.

The Southern Associations Teams event was held in Christchurch this year. Canterbury grabbed every gold medal on offer, a true clean sweep by us.

The North Island Individuals 2022 was a huge event and many Canterbury players made the trip up there. John Cordue was runner up in the open and Gina Liu won bronze in the women's Open singles. Gina and Kris Alisch picked up the bronze in Open Women's doubles. In the men's B grade David Walle and Simon made the final with David securing the win. While in the C grade Griffin Buchanan won silver and Kevin He got a bronze, both good results for developing juniors.

The Otago Open was well supported again, The Women's open was won by Gina Liu with Catherine Fogarty and Anny Li getting bronze. Gina with Kris Alisch won the doubles. Catherine Fogarty with Abbey Webb, Anny Li and Lisa Wang and Vanessa Wood-Lin Ellie Zhang all made the semis. The mixed pairing of Simon Fenwick and Kris won bronze. In the 2nd grade Derrek Wong beat Gregg Davey for the gold and Gregg and Ingamar Siegruhn won the doubles. In the 2nd grade women developing junior India Buchanan won gold and Ruhi Advilkar got 3rd Renata Jelli 4th.

The NZ National Championships did not provide the levels of success our players have enjoyed in past years. The strength of competition was of a very high standard in both senior and junior events. The team's event was contested by 4 men's teams and two women's teams. Success was hard to come by, but the Canterbury women's 1 team of Gina, Anny and Kris won silver. The individual championship medals were very difficult to win and the standout player was Gina Liu who won gold in Open women's doubles, bronze in the Open women's singles, gold in the Over 30 women's singles and silver in the Over 30 women's doubles.

Lastly, I extend a huge thank you to all our players who played hard and represented our province well. I would also like to express thanks to Alan Moore and all the volunteers for helping and organising the running of our events throughout the year. Without these volunteers nothing would happen, thanks again for your hard work.

Gregg Davey Convenor of Selectors

Veterans Report 2022

2022 has provided yet another interesting year contending with Covid 19 Omicron and the various traffic light settings imposed on the community at large. Despite the interruptions to normal life caused by the restrictions our Canterbury players continued the tradition of success we have come to expect.

Travelling to tournaments to support our neighbour associations has again been the key to make strong competition a reality in veterans as well as the junior and senior events at Provincial Open tournaments.

The two events which highlight veteran competitions for 2022 are, of course, the NZ and Australian Veterans tournaments.

At the **NZ Veterans**, held in Auckland, team success was enjoyed by the Over 40 Women's team of Kris Alisch and Gina Liu and the Over 65 Men's team, Mark Wilson and Ernst Wipperfurth.

The individual competition was very strongly contested with the following medalists:

Over 40 men's doubles: Gold, Simon Fenwick and Barry Griffiths

Over 40 Women's singles: Gold, Gina Liu, **Bronze** Kris Alisch

Over 40 Women's doubles: Silver, Kris Alisch and Gina Liu

Over 40 Mixed doubles: Bronze, Simon Fenwick and Kris Alisch

Over 50 Women's singles: Gold, Gina Liu

Over 50 Men's doubles: Silver Gregg Davey and Edwin Nieman, **Bronze** Simon Fenwick and R. Sheath

Over 50 Mixed doubles: Gold, Simon Fenwick and Kris Alisch

Over 60 Men's doubles: Silver, Gregg Davey and R. Sheath
Bronze, Ernst Wipperfurth and R. Winkly

The Marlborough, Otago, Canterbury, Nelson and Southland Open events as well as the South Island Individual Championships and Southern Association's team's events all featured Canterbury veterans on the winner's podiums.

The list is too long to record here, but results can be found on the TTNZ tournament website.

Thanks to all the players who wore the Canterbury colours at venues around the country you continue to make us all proud.

Alan Moore

The Australian Veteran's Championships were finally able to go ahead in Darwin after two years of cancellation due to Covid restrictions. Simon Fenwick and Lyndon White competed with distinction along with Kris Alisch. It was a very small Kiwi contingent who attended the event, but still made an impact on results.

Gold for Simon and Lyndon (with Barry Griffiths) in the Over 40 men's team event

Lyndon received a special award as Best Player in the Over 50s as well as winning the Over 50 men's doubles with Simon.

Kris won bronze, with Marie Pinkewich in the Over 50 women's doubles.

12 | SUPERCLUB 2022

A new competition was created this year, to run during the winter interclub season. Called Super Club, it replaced the Super League competition which has run for several years.

Super Club comprised of six club-based teams, competing over fifteen weeks (three rounds of five weeks each), and concluded with a final between two top qualifiers.

It was designed with some specific principals in mind. Firstly, it is club representation based, with team personal selected by their club on a week-by-week basis (although in practice most teams remained largely unchanged throughout). This is to promote meaningful competition and rivalry.

Super Club utilises an eight-match format, with a minimum of three players in each team, competing for six singles and two doubles. Despite the opportunity for draws, there was a surprisingly small number of 4-4 results throughout the season.

One of the main objectives was to bridge the gap between the 'top' competition and Division 1 of interclub, thus

creating pathways for players to develop into the higher echelon. The 2022 Super Club season saw several examples of players showing that they could compete well at the highest level. Players such as Griffin Buchanan, Anthony Wilson and Aaron Tian, among others, responding to the challenge well, and showing that they belong in the top competition.

Another objective was to achieve a sustainable level. In previous years the Super League competition has started out strong, but waned as the season progressed. Whilst Super Club perhaps achieved a reasonably constant level, it might be worth looking at a shorter version in future to attain this objective.

The inaugural Super Club competition was won by Kirwee Club, predominantly represented by John Cordue, Han Jong Eub and Simon Wallace (with appearances also by Kris Alisch and Gregg Davey). Harewood Club were also well represented and finished a close second.

Top 10 Wins

NAME	CLUB	PLAYED	WON	PERCENTAGE
